

LM 4300

pressure seal

The LM 4300 is in a range of medium duty pressure sealers consisting of LM 4300, LM 4300 TN and LM 4300 TNX; interfaced with printers to produce print-to-sealed document in one go. With both inline and offline options, this machine is ideal for the busy office environment.

Features:

- Jet link compatibility with HP printers
- Z, C, V-fold capability
- Paper thickness sensor
- Feeder capacity: printer dependent
- Up to 6000 A4 sheets offline and 3300 A4 sheets online
- Form size: A4, 11", 12", 14"
- Laser printer compatibility: HP LJ 4350TN/4515TN with options including OKI, Lexmark, Samsung, Kyocera etc.
- Maintenance covers installation, training and 1 year on-site service

Benefits:

- Wide range of applications
- Secure data
- Cost effective solution
- Time saving method
- Print, Seal and Post

MODEL	INFEED CAPACITY	PROKIT	RISER	INTERFACE	CABINET
LM4300N	500	Optional	N/A	YES	Optional
LM4300TN	1000	Optional	Yes SR	YES	Optional
LM4300TNX	2500	Included	Yes SR+	YES	Optional

Forms are printed to your specification with a range of fold options to meet with the bespoke needs of each and every customer.

“Pressure Sealing eliminates the need for envelopes. The process folds and seals forms to produce secure, confidential documents that are ready to post. Pressure sealing dramatically improves efficiency and reduces costs, while taking the hassle out of mailings.”
